Infant Info – Happy New Year everyone! Well, we had a very busy December. We sang lots of Christmas songs, like “5 Little Elves”, and we read lots of books! Thank you for the ornaments for our class tree, we loved reading about everyone’s Christmas stories! Our older friends have really been enjoying sitting for circle, doing calendar and learning all about shapes & colors. We are looking forward to seeing what this month brings for all our friends. Watch for another family participation this month!

Toddler Talk –

Happy New Year everyone! Welcome to 2021. We were really busy last month with focusing on family traditions and holidays around the world. Our toddler friends worked really hard on their ornaments and we hope you enjoyed them! So far, we already got more snow than we did last year and for that, we are asking everyone to bring it a spare set of boots, gloves and winter hat to go outside so we can enjoy some snow play :) for the month of January, we will be focusing on winter wonderland. We have lots of sensory and science projects planned so we can keep our toddler class busy. We are so happy to start the new year off with lots to look forward too!

Happy 2nd birthday Cordelia 🎂
