## May 2021 Planting the Seeds of Learning

### Monthly Round Up

- **Please note that we are closed on Monday 5/31 in observance of Memorial Day**
- **Teacher Appreciation Week is May 3 – 7. Please take a second to finish the TAW flowers with your child and send back to school. I would like to assemble a garden of appreciation for all the teachers together. With the help of every family the garden will be huge.**
- **Please note we are sprayed throughout the season for ticks by White Horse Tree, but it is not a guarantee. Teachers and assistants will be checking all children for ticks each time we come in. Please be sure that your child has bug spray (and sunscreen) at the school**
- **EEC has stated that there will be an update to our Playbook (the outline for programs from reopening). Once we have the update, we will be sure to inform you of any changes.**
